Docket No: A2009-1

Casey Chapman, Petitioner(s)

PARTICIPANT STATEMENT

1. Petitioner(s) are appealing the Postal Service's Final Determination concerning the Hacker Valley post office. The Final Determination was posted _____ (date).

2. In accordance with applicable law, 39 U.S.C. § 404(b)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's determination on the basis of the record before the Postal Service in the making of the determination.

3. Petitioners: Please set out below the reasons why you believe the Postal Service's Final Determination should be reversed and returned to the Postal Service for further consideration. (See pages of the Instructions for an outline of the kinds of reasons the law requires us to consider.) Please be as specific as possible. Please continue on additional paper if you need more space and attach the additional page(s) to this form.

I am requesting a waiver to the requirement that this document be filed electronically as we do not have a computer in our home.

My husband and I both work. We are not available to take in packages. We shop a lot by mail. The hours at our nearby post offices, Rock Cave and Diana, are closed when we get off work and they have very short Saturday hours. Packages left out at our mail box are welcoming theft, pilfering, or damage from the weather.

Please establish a post office in the Hacker Valley Area. I am confident many of my neighbors share the same problems.
